General information

This catalog is published in compliance with K.S.A. 75-3317 through 75-3322, “The Kansas Use Law.” The Kansas Director of Purchases has found the items in this catalog to be consistent with “The Kansas Use Law” and has therefore designated them for mandatory purchase. The intent of “The Kansas Use Law” is to help provide employment for Kansans who are blind or severely disabled. Purchase of products and services from these exceptional Kansans helps them be a productive force contributing to the economy of our State.

Benefits of the program

- Yields meaningful employment and training
- Compliments and encourages efforts to deinstitutionalize people who have disabilities
- Advocates self-sufficiency for those with disabilities
- Reduces cost of service care for people with disabilities
- Encourages community involvement and support of people who have disabilities
- Supports efforts for a good business approach to spending vocational rehabilitation dollars
- Increases tax base
- Decreases tax requirements
- Stimulates growth of Kansas local economy
- Ensures continuity in the supply of needed services and products to customers
- Provides opportunity for State agencies to contract for services at a lower cost than in-house services
- Promotes productivity in vocational rehabilitation centers

A summary about Kansas law about purchasing

Summary of K.S.A. 75-3321

The Director of Purchases and any person or officer authorized to purchase materials and supplies for any State agency or Unified School District operating in Kansas, or to purchase services for any agency within Kansas State government, shall purchase, from the catalog, “Products and Services Manufactured and Offered By Blind and Severely Disabled Kansans,” at any time when the listings in that catalog will meet the needs of the agency or school district.

Summary of K.S.A. 75-3322

Whenever the qualified vendors represented in this catalog are unable to supply the products or services needed, or are unable to meet delivery requirements on any purchase order or requisition, a written waiver request shall immediately be forwarded to the Director of Purchases by the state agency procurement officer or purchasing officer of the Unified School District. If approved by the Director of Purchases such waivers shall relieve and exempt the state or Unified School District from the purchasing requirements set forth in the relevant Kansas laws (K.S.A. 75-3317 and 75-3322). The waiver granted shall apply only to the case of the specific purchase order, request or requisition.

Request for State Use Program waiver

The Kansas State Use Program is governed by statutes (K.S.A. 75-3317 through 75-3322) which include some provisions for waivers. To find out more, please visit the following website.

Waiver Request Form: www.da.ks.gov/purch/StateUseWaiverRequestForm.doc

Our Policy

We place strong emphasis on the quality and reliability of our products and services. Our products and services are guaranteed to give satisfaction.

If there is a factory error, the qualified vendor will issue proper credit or replacement after receipt and inspection of goods. Freight will be paid by the qualified vendor if a factory error was made. Feel free to write or call with any comment. You will receive fast, personal attention. We want you to be as pleased as we are with the efforts of our facilities.

Quality with a Purpose

To further its mission, Goodwill Industries of Kansas, Inc. established Edgar James Apparel, an ISO-certified line of medical, safety, food service and retail apparel. Inspired by Goodwill's founder Rev. Edgar James Helms, the mission of Edgar James Apparel ensures all people have the opportunity to develop job skills and lead independent and productive lives. We are proud to employ people with various disabilities and employment barriers to complete cut-and-sew orders, producing quality apparel for various industries.

When you shop Edgar James, 90 cents of every dollar spent helps Goodwill educate and employ people with disabilities or other employment barriers. Our commitment to quality, service and opportunity goes in to every stitch of our fine apparel, designed to serve you in your daily work. Quality with a Purpose — that's the EJ Way!

CUSTOMIZATION

All products can be customized. From changing colors and fabrics to adding features and a logo, we can complete any project to your specifications.

DEDICATED TO QUALITY

Our manufacturing facility has been 9001-2015 ISO certified since 2007, which requires the highest level of production excellence. Each order is thoroughly inspected to ensure on-time delivery, defect free products and full customer satisfaction.

ABREEZE

air filters

KETCH offers high performance standard and custom size air filters at competitive prices. Our filters are made of **100% recycled materials** and have a **high dust-holding capacity** that effectively **reduces greater than 90% of airborne allergens** like pollen, mold spores, and dust mite debris. They also successfully **reduce energy consumption and operation costs** per square foot, and positively affect indoor air quality.

Abreeze Air Filters are available in polyester and MERV 8 pleated media that complies with ASHRAE Standard 52.1. The material used to manufacture the die-cut filter trays for standard sizes is pearl-coated beverage board and our custom size filter trays are hand assembled from pearl-coated chip board that is supported with beverage board. All filters are made ½-inch undersized in both width and length unless exact sizing is specified to allow for a better fit within HVAC systems.

ASTM 6400 Compostable Bags

ASTM 6400 Compostable bags are used for the collection of green bin organic waste disposal and commercial composting. Our bags will typically degrade in 10 to 45 days and biodegrade in less than six months in a commercial compost facility.*

ASTM 6400 Compostable bags meet the stringent testing requirements of ASTM D6400 for compostability and carry the USCC and BPI certifications.

*Requires sufficient moisture, oxygen and microbial activity.

†Be aware: there may not be a commercial composting facility in your area.

ABOUT US

The BVI Workforce Innovation Center is a not-for-profit upward mobility initiative powered by Envision, Inc. Our goal is to provide progressive career opportunities and create jobs for people who are blind or visually impaired.

Through experiential training programs that empower those we serve and provide advocacy at both the state and federal level. We dedicate our efforts to the development and delivery of a well-trained, skilled and competitive workforce in the global marketplace.

DIGITAL ACCESSIBILITY SERVICES

Take your technology systems to the next level with digital accessibility assessment and consulting to ensure websites, apps, and PDF files meet and exceed Web Content Accessibility Guidelines (WCAG) and Americans with Disabilities Act (ADA) accessibility requirements.

Our team of visually impaired certified auditors, using both automated and manual testing in combination with comprehensive reporting and an action plan, work with your development team to help ensure that all users, including people of all ages and abilities, have seamless, user-friendly experiences when visiting your website.

Why is digital accessibility important?

- Automated tests only detect 25-40% accessibility issues
- 97.8% of website home pages have detectable WCAG failures
- 61 million people, or 1-4 adults, have a disability in the United States
- Widgets and overlays may create interface issues with assistive technology
- Non-compliance can mean legal risk for accessibility lawsuits

CONTACT CENTER SERVICES

Our trained representatives are dedicated to studying and perfecting your unique voice and persona. They can be trusted to give your customers the attention they deserve. Our cost-effective outsourcing solutions free up valuable time for you to run your business.

- Inbound and Outbound Service
- Campaigns: Customer Satisfaction, Surveys, Client/Member On-Boarding, Welcome, Win-Back/Re-Activation
- B2B Lead Generation/Appointment Setting

CERTIFICATIONS and STANDARDS

- Approved Government Publishing Office (GPO) Contractor
- Certified Professional in Accessibility Core Competencies (CPACC)
- Web Content Accessibility Guidelines (WCAG)
- Section 508 standards and universal design principles
- Department of Homeland Security (DHS) Trusted Tester
- Web Accessibility Specialist (WAS)
- Certified Assistive Technology Instructional Specialist (CATIS)
- Job Access with Speech (JAWS) screen reader certification

CONTACT INFORMATION

When you do business with us, you are not only maximizing your sales and customer service efforts, you are making it possible for adults with visual impairments to build rewarding careers in professional positions and contribute to their communities.
